

FOREWORD

This Fair is dedicated to every citizen of Logan County and is conducted for your education and pleasure.

4-H FAIR TIME SPORTSMANSHIP

An important part of growing up is developing good sportsmanship. This means being fair and honest while competing, being a courteous loser and a gracious winner. As a 4-H member, you are expected to exhibit the following:

1. **Conduct.** Display and maintain high standards of personal behavior which is becoming to you as an individual and as a representative of your family, your club, your community, or any other program you are a part of.
2. **Fairness.** Learn and follow the rules. Do not cheat. Be impartial and honest at all times.
3. **Honesty.** Show integrity. Do not lie or deceive. Do your own work. Do not understate or overstate your abilities, skills or accomplishments.
4. **Competition.** Rivalry is a part of competition. There are winners and losers in every contest. Be respectful, considerate, cooperative, and cheerful in your attitude and behavior, regardless of whether you win or lose.
5. **Courtesy.** Questions are fine and suggestions are welcome, but be respectful in expressing them. Be pleasant toward other participants, spectators, program officials, extension staff, fair board, media, 4-H leaders, and especially your parents. Give others the benefit of the doubt.
6. **Respect.** Do not argue with our judges. Their opinions are the most important the day of the judging, and if you are prepared and have done your own work, you will succeed! Accept suggestions and comments with a positive attitude. If you receive a lower placing than expected, be gracious and learn from the experience.
7. **Kindness.** Treat animals, people and property kindly and with respect.
8. **Spirit.** Congratulate those who win after a competition! Recognize, appreciate and try to learn from shortcomings. Do not protest, or make accusations unless you have proof and are willing to personally face the person you are accusing.
9. **Graciousness.** If you are named the winner, graciously thank the people who recognized you. Do not gloat, brag or act conceited, or downplay your accomplishment.
10. **Gratitude.** THANK YOUR PARENTS, leader, judges, fair board, and the extension staff. They have gone to a lot of work for you and the county to put on a successful fair.

GENERAL RULES

RULE I - Interpretations, Amendments & Violations

1. The Golden Prairie Extension Office of Oakley reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with 4-H exhibits.
2. In the event of a conflict regarding 4-H members, 4-H projects, or 4-H events occurring during the county fair, the matter will be turned over to a grievance committee. (See Rule IV)
3. Any person who violates any general or special rule will forfeit all privileges and premiums.

RULE II - Entry Requirements.

1. All 4-H entries to the county fair are free, except Shooting Sports Shoot, Dog and Horse.
2. All property entered at the fair for any purpose shall be subject to the control of the superintendent in charge.

RULE III - Exhibit Duties & Privileges.

1. Only members of 4-H clubs in Logan County may exhibit in 4-H competitions. Logan County 4-H members and Logan County open class exhibitors shall have priority over non-residents for livestock exhibiting space. Exhibits cannot be entered in both open class and 4-H competition with the exception of the open class and 4-H dog and horse shows.
2. If any exhibitor has made any false statement in regard to any exhibit or if any exhibitor shall attempt to interfere with the judging process, he shall be excluded from all competition or exhibition on the grounds and any awards that he/she may have received will be forfeited at the discretion of the Golden Prairie District Executive Board.
3. The decision of the judges shall be final and no appeal will be considered except in cases of rare protests.

RULE IV - Grievances and Complaints.

1. All grievances and complaints concerning any and all aspects of the fair shall be turned in, in writing, within 4 hours of the situation. Grievance shall state plainly the cause of the complaint.

2. 4-H Grievance Committee

Clayton Bosserman Fair Board President
Amy Lorenzen Extension Agent
Golden Prairie Extension District Governing Body
Board Chair and Vice Chair

2 Fair Board members at large

1 GPD Extension Exec. Board member at large

1 Project Area Superintendent of the project area involved.

3. The Grievance Committee will review the written complaint as a committee. Both the party filing the grievance and the party charged with the grievance shall meet with the Grievance Committee. The committee will rule within 24 hours and contact the individuals. In the case of 4-H Project entries, a Grievance Committee will convene and ruling will follow.
4. The Grievance Committee, reserves the final and absolute right to determine a ruling.

RULE V - Power and Liabilities of the Extension Executive Board.

1. The Golden Prairie District Extension Board reserves the right to remove from the grounds any 4-H exhibit or animals that may be falsely entered, or may be deemed unsuitable or objectionable, or to remove any sign, banner, identification mark or signature or advertising matter of any kind which may be deemed objectionable.
2. All 4-H animals will be checked-in under the supervision of a veterinarian. No diseased animal or fowl will be permitted to be exhibited or occupy space at the fair, and every precaution will be taken to enforce this rule. However, the management will not be responsible for any loss or damage that may be sustained through violation of this rule.
3. No claim for any injury to any person or property shall be asserted to suit instituted, or maintained against the Extension Executive Board, its officers or agents, representatives, servants or employees on behalf of any person, corporation or firms as a result of damage sustained on the grounds of this fair.

RULE VI - Miscellaneous.

1. A superintendent will be appointed for each Division, whose duty it shall be to receive the exhibits, properly classify them and to assist the judges. A junior superintendent will also be assigned to assist. Animal superintendents should be present at 4-H animal weigh in's to assist the agents and 4H'ers.
2. All entries except livestock shall be exhibited by using an exhibit card. Exhibit cards are available from the County Extension Office and in the Fair Office in the Dick Farmer Arena. Two cards are required for each exhibit.
3. No responsibility will be assumed for loss or damage of any property.
4. Premium money will be forfeited if exhibits are removed before release time.
5. FFA / Vocational agriculture members may exhibit livestock in the open class division.
6. All exhibits are to be entered and in place at least 1 hour before judging is to begin. 4-H members must be properly enrolled in the project they expect to exhibit in. All exhibits must be work that is completed during the current 4-H year.
7. All exhibits are governed by the general rules of the Golden Prairie District Executive Board.
8. Each 4-H exhibit will receive a ribbon placing. Ribbon placings will be made at the discretion of the judges. They will be placed into purple, blue, red or white groups with Grand Champion and Reserve Champion awarded if quality is deserving. The purple, or State Fair ribbon, is eligible to enter State Fair competition provided they meet age requirements and a class is provided for State Fair exhibit. All entries must conform to the 4-H project requirements (age, breeding, etc.).
9. Prize money will be awarded on a point basis. Point values will be determined by dividing total points awarded into total prize money available. Points awarded will be: Grand Champion 50, Reserve Champion 45, Purple 40, Blue 30, Red 20, White 10.

10. All 4-H members must attend the pre-Fair clean-up/set-up and the post-Fair clean-up to receive premium money. These dates will be announced in the 4-H newsletter.

Division I-A: LIVESTOCK

Special Rules For All Livestock:

1. Weigh-ins and Check-ins:

A. Registered breeding animals are not required to be present at weigh-in but registration papers are due on the weigh-in day. All other livestock must be checked-in and/or tagged at spring weigh-in. County weigh in dates and times will be set by Extension personnel, and there will be no exceptions or late weigh-ins after the schedule has been set and publicized, excluding hardship cases at the discretion of the Extension Office. Animal superintendents should be present at animal weigh-ins to assist the agent and 4-H'ers. All animals shown in 4-H classes must have a form of permanent, non-reproducible identification in place at spring weigh-in or be tagged with a Kansas 4-H ear-tag. Exceptions include heifers under six months at Fair not shown as bucket calves, and calves from cow/calf pairs. Cows of cow/calf pairs must be checked in at weigh-in and the extension office must be notified by July 1st if 4-H'ers plan to show a breeding heifer younger than 6 months of age.

B. All sheep and goats must have a USDA Scrapies tag before fair. Breeding ewes and goats do not have to have a 4-H ear-tag if they are exhibiting a Scrapies tag at spring weigh-in because the Scrapies tag will be used as their non-reproducible permanent identification.

C. Breeding heifers exhibiting a Brucellosis or "bangs" tag at spring weigh-in will not be required to have a 4-H ear-tag because their Brucellosis or "bangs" tag will be used as their non-reproducible permanent identification.

D. Tattoos and ear-notches are not a form of non-reproducible permanent identification.

E. All 4-H market animals must have a Kansas 4-H ear-tag put in at spring weigh-in.

2. A herdsmanship certificate will be awarded to a 4-H livestock exhibitor and to a 4-H club. This certificate is based on clean and neat stalls, courtesy shown to judge, other exhibitors and the public; manners; personal appearance; attitude; etc. A qualified individual or committee will make this selection.

3. Exhibitors must furnish feed and feeding facilities for livestock. All exhibitors should keep allotted space clean at all times. No premium will be paid until livestock exhibitors have cleaned their stalls and barns. Water must be adequately supplied to animals to eliminate risk of heat stress.

4. All livestock must be checked in by a superintendent and checked by a veterinarian at the Fairgrounds on weigh-in day. All market animals must be weighed-in. **There will be only ONE weigh-in for all animals.** All animals will be inspected by a veterinarian on the trailer, before they are unloaded, for any contagious disease, injury, or condition rendering them unfit for show at spring weigh-in and fair check-in.

5. All adults, including parents and grandparents, must remain at least 10 feet away while animals are

being judged. Parents and observers are not allowed to coach exhibitors once judging of a class has begun and will receive only 1 verbal warning. Dismissal from judging could result. This rule applies to exhibition of all livestock, horses, dogs, cats, poultry and rabbits.

6. All animals brought must be drug free. Exhibitors may be required to sign an agreement stating animals are free of any and all drugs.

7. Guidelines for tranquilizing of animals:

A. Animals may be tranquilized only after approval is secured from the Livestock Superintendent(s), Agent and Fair Board.

B. The project superintendent, Ag Agent and a Fair board member need to be present for all medical treatment or additive, other than normal feed.

8. If the animal must be tied to the fence or placed in a pen during showmanship, it will be placed last in that class.

9. 4-H animal project members are expected to do their own fitting and grooming of their animals to be shown at the fair. If assistance is given, the 4-H'er must be present and involved while the animal is being groomed.

10. EXHIBITORS MUST ENTER SHOWMANSHIP CLASS TO BE ELIGIBLE TO SELL AT THE 4-H SALE.

Showmanship class will be the first class in each Division. The contest will be divided into 3 age groups: Senior - age 14 and over; Intermediate - age 10 to 13; and Junior - age 7 to 9. Age is determined as of January 1 of the current year.

11. All exhibits must be ready when the class is called. Each exhibitor must show their own animal unless special permission is granted by the agent or superintendent to allow another **LOGAN COUNTY 4-H member** to show the animal.

12. All Livestock and animal exhibits will be released following the Livestock Auction, **Friday, July 22, 2016.**

13. Attire for showing and selling of any livestock: long pants, shirts must be tucked in, closed-toe shoes, and **no** t-shirts, caps or hats. If you enter a livestock class or the livestock sale in dirty, torn or unacceptable clothing you will be disqualified.

Exhibitors entering the horse show must dress according to standards for each class.

14. The decision of the judge is final.

15. No animals are to be tied to the horse barns. Tie them to the rail or return them to their stalls.

16. 2 market animals per division allowed per 4-H'er; 2 steers, 2 heifers, 2 hogs, 2 lambs, 2 goats, 2 pens of broilers and 2 pens of meat rabbits per youth. This does not apply to bucket calves or breeding livestock.

17. All animals must meet Kansas Animal Health Division health requirements.

Livestock Sale Rules:

1. Each 4-H'er will be allowed to sell only 1 animal in each species (one beef, swine, poultry, goats, sheep, bucket calves and rabbit).

2. All livestock will be sold by the head.

3. It is the responsibility of the 4-H'er to designate which animal will be sold if 4-H'er shows more than one animal of the same species. Otherwise, the animal with the highest ribbon placing will be sold. If both animals have the same ribbon placing, then the heaviest animal will be sold.

4. The Grand Champion animal in each division will be sold first, followed by the Reserve Champion, purple, blue, red, and white ribbon placing.
5. Livestock that do not meet the minimum weight requirements will not be allowed to sell at the livestock auction.

DIVISION I-A BEEF

Special Rules For All Beef Projects:

1. Uncontrollable animals may be required to leave the County Fair at the discretion of the Superintendents and Extension Agent and may be excluded from the show and/or sale. It is strongly suggested that an adult be present when 4-H'ers are handling livestock.
2. No horns over 1 inch long will be allowed on any cattle or calves exhibited at County Fair. The only exception will be Horned Hereford Heifers.
3. A neck rope is required on all animals while tied.
4. This is a "Blow and Go" show. "Blow and Go" at the Logan County Fair is defined as using no adhesive, glue, paint or powder products. Cattle may be clipped and blow-dried. Conditioners and hoof products may be used.
5. Any cattle, including breeding animals, not checked in at the correct spring weigh-in, with the exception of calves from cow/calf pairs and breeding heifers under 6 months of age at fair, will not be allowed to show in 4-H classes.
6. Parents and observers are not allowed to coach exhibitors once judging of a class has begun.

Class 1001	Senior Showmanship
Class 1002	Intermediate Showmanship
Class 1003	Junior Showmanship

Market Beef

Special Rules for Market Beef:

1. Animals must be clean and dry at weigh-in.
2. Market calves will be divided into weight classes. No breed classes.
3. All market calves must be born after January 1, previous year.
4. Exhibitor shall have had the beef project with animal in their control and be in charge of all management of that animal before the initial weigh-in date set by the County Agents. All steers and market heifers must be weighed and tagged with official 4-H EID tags by the official weigh-in date.
5. All steers must be castrated/banded and healed before weigh-in in March, unless arrangements have been made with the County Agent.
6. Calves will be assigned to class prior to showing based on weight at discretion of superintendent and county agent jointly.
7. All market animals that do not weigh at least 950 lbs will automatically be moved to a "feeder calf class".
8. Feeder calves will not be sold at the livestock auction.

Class 1004	Market Steers
Class 1005	Market Heifers
Class 1006	Feeder Calves (do not pre-enter)
Class 1006A	2 nd Year Bucket Calf

Breeding Heifers

Special Rules for Breeding Heifers:

1. **Commercial Heifers must be checked in and/or tagged at spring weigh-in and identified with a permanent, non-reproducible form of identification.** Registered breeding heifers are not required to be present at weigh-in but registration papers are due on the weigh-in day. Tattoos and notches are not a permanent, non-reproducible form of identification. Cows from cow/calf pairs must be checked in at spring weigh-in. Heifers that will be under 6 months of age are not required to be checked in at weigh-in but the extension office must be notified that you plan to show a heifer of this age by July.
2. Heifers of all breeds in the same age division will show in one class unless there are 5 or more of a particular breed for one age division.
3. Cow/calf pairs must consist of a cow and a calf she gave birth to. No grafted pairs.

Class 1007	Heifer, less than 6 months
Class 1008	Heifer, 7-12 months
Class 1009	Heifer, 13-24 months
Class 1010	Heifer or cow, 25-36 months
Class 1011	Cow > 36 months
Class 1012	Cow/calf pair

Bucket Calves

Special Rules for Bucket Calves:

1. The bucket calf project is for 4-H'ers age 7 to 12. Members shall not have passed their 13th birthday by January 1 of the current 4-H year.
2. Calves must be born on or after January 1 of the current year.
3. Calves must be obtained and fed from a bucket for at least 80 days prior to the Logan County Fair.
4. Members may exhibit only one bucket calf per year.
5. Bucket calves must be weighed and tagged at small animal spring weigh-in.
6. Fair board members may give an ear tattoo to any bucket calf that is sold at the fair livestock sale.
7. The bucket calf show will be a "no fit" show. "Blow and Go" at the Logan County Fair is defined as using no adhesive, glue, paint or powder products.
8. The bucket calf project will not be a part of round robin showmanship.
9. If a 4-H'er exhibits in the bucket calf project, they will not be allowed to exhibit in the beef project.
10. Only steers and heifers may be shown.
11. Judging will be based on the following:
 - A. What the 4-H member learned about caring for and raising the calf.
 - B. Fitting and showing.
 - C. General health and appearance of the calf.
 - D. Placings will be made primarily on the basis of the interview with the exhibitor, not on the quality of the animal.

Class 1013	Members 7-9 years old
Class 1014	Members 10-12 years old

DIVISION I-A SWINE

Special Rules for Swine:

1. If swine originated outside of the state of Kansas, it must have a negative pseudorabies test. Swine that have had the pseudorabies vaccination are not allowed into the State.
2. All market swine failing to make the minimum weight limit of 200 lbs will be shown in the feeder pig class. All market swine exceeding the weight limit of 280 lbs will be shown in the heavy weight class.
3. Feeder pigs will NOT be sold at the livestock auction. Pigs exceeding 280 lbs will be sold at the livestock auction as 280 lbs.
4. Pigs must be clean and dry at weigh-in.
5. Market hog (gilts and barrows) will show with all breeds together and will be divided into weight divisions.
6. Gilts may not show in market class if they show in breeding gilts class.
7. All swine must be checked in at spring weigh-in, including breeding gilts. Any animals not checked in at spring weigh-in will not be allowed to show in 4-H classes.
8. Parents and observers are not allowed to coach exhibitors once judging of a class has begun.

Class 3042 Single Exhibit: An article made or refinished for the home

Class 3043 Poster - showing design plans, elements of color or design, etc. May include swatches of fabric or paint.

Class 3044 Notebook - may include swatches of fabric, colors, stories, photographs and project records which detail what was accomplished this year with a given indication of long term design plans.

DIVISION IV: FOODS & NUTRITION

Special Rules for Foods & Nutrition:

1. An exhibitor will be enrolled according to age.

2. For cookies, muffins, biscuits, rolls, etc., the exhibitor must have 4 uniform examples. Favorite snack mixes, popcorn snacks, etc, should consist of 1 cup. Cakes, breads, pies, etc., must be displayed whole.

3. Exhibits must be out of pans and displayed on cardboard, plastic or paper plates then slipped into a plastic food bag and fastened. Muffins may be exhibited in or out of papers. All unfrosted cakes should be exhibited in an upright position with crust showing, except for those cakes made with special designs such as bundt cakes. They should have crust side down. Each exhibit must be accompanied by the recipe.

4. All food exhibits must be made from scratch. Frosting may be from scratch or store bought, however the judge must be told.

5. Junior, Intermediate, and Senior Champion and Reserve Champion will be chosen in Foods and Food Baskets.

6. Items with * denotes that there is not a State Fair class.

7. For food classes, perishable foods (those with custard and cream cheese type fillings and frostings) and those requiring refrigeration will not be allowed. Two crust fruit pies and pecan pies are acceptable.

8. Each 4-H'er is limited to 3 food entries, not including displays, baskets or booths.

9. Recipes that include cake mixes are not allowed.

Food Auction Rules:

1. The Food Auction & Sale will take place directly following the Public Style Revue.

2. Food exhibits will be auctioned in the following order: Senior Grand Champion, Intermediate Grand Champion, Junior Grand Champion, then all remaining items in ribbon order (Purple, Blue, Red & White).

3. All food will be auctioned on a price per item basis.

4. All Food project members are required to sell one item at the auction. It is the exhibitor's responsibility to indicate

to the superintendents which item will be sold. If he/she enters more than one food item, it is preferable that the item receiving the highest ribbon placing be sold.

5. If cookies, bar cookies, muffins, fruit leather, or other classes where only 4 items are stated, 4-H'ers must provide one dozen of that baked food item for food auction (12 cookies, 12 bar cookies, etc.) For snacks, cereal crunch, etc., 4-H'er must provide one-quart size container to be auctioned.

6. The 4-H member will receive the total sale price of the designated food auction item.

7. It is the 4-H'ers responsibility to get food items to the buyer during or following the auction.

8. Food Baskets will not be auctioned.

9. Dress attire for sale: Jeans and shorts in good repair. Shorts must be finger-tip in length. Blouses & shirts only. **No** crop tops, tank tops, halter tops, T-shirts or hats.

DIVISION IV - FOOD PREPARATION

Level I Foods (AGE 7-9)

- Class 4000** Non-perishable food product or similar recipe made in Level 1. Example: snack mix, muffins, drop cookies.
- Class 4001** Food Gift Package: On the back of the entry form, describe how the product(s) were made, the intended use, and food safety precautions taken during and after preparation. This entry will count as a non-perishable food product.
- Class 4002** Educational exhibit prepared by 7 to 9 year old (i.e. poster, recipe box, etc.)
- Class 4003** Decorated Cakes (will be included in the over-all foods judging for champions)

LEVEL II FOODS (10-11)

- Class 4004** Non-perishable food product or similar recipe made in Level II. Example: cookies, fruit leather, snack mix, cake, quick bread.
- Class 4005** Food Gift Package: On the back of the entry form, describe how the product(s) were made, the intended use, and food safety precautions taken during and after preparation. This entry will count as a non-perishable food product.
- Class 4006** Educational exhibit prepared by 10 to 11 year old (i.e. poster, recipe box, etc.)
- Class 4007** Decorated Cakes (will be included in the over-all foods judging for champions)

LEVEL III FOODS (12-14)

- Class 4008** Non-perishable food product or similar recipe made in Level III. Example: Bundt cake, quick bread, yeast breads, dried food, fruit pie.
- Class 4009** Food Gift Package: On the back of the entry form, describe how the product(s) were made, the intended use, and food safety precautions taken during and after preparation. This entry will count as a non-perishable food product.
- Class 4010** Educational exhibit prepared by 12 to 14

Class 4011 year old (i.e. poster, recipe box)
Decorated Cakes (will be included in the over-all food judging for champions)

LEVEL IV FOODS (15-19)

Class 4012 Non-perishable food product or similar recipe made in Level IV. Example: international foods, yeast breads, pies, dried food, specialty cakes.

Class 4013 Food Gift Package: On the back of the entry form, describe how the product(s) were made, the intended use, and food safety precautions taken during and after preparation. This entry will count as a non-perishable food product.

Class 4014 Educational exhibit prepared by 15 to 19 year old (i.e. poster, recipe box, etc.)

Class 4015 Decorated Cakes (will be included in the over-all foods judging for champions)

DIVISION IV - FOOD PRESERVATION

Special Rules for Food Preservation:

1. All exhibits must be preserved in the current Fair year.
2. Recommended method processing must be used. Open kettle processed foods will not be accepted.
3. Pickles and sweat spreads must be finished by the water bath process.
4. Low acid products must be pressure processed. The label must include the canning method and processing time.
5. Each jar must be labeled with uniform labels placed one inch from the base of the jar. Labels are available from the Extension Office.
6. Classes 4016 - 4021 require one jar for each class - any combination within classes is allowed.

Class 4016 Sweet spreads

Class 4017 Fruits, juices, tomatoes

Class 4018 Low acid vegetables

Class 4019 Pickles and relishes

Class 4020 Meat

Class 4021 Dried food - two kinds of dried foods, to be in small jar, clean bag or other "see through" container. Suggested amount is 1/3 or 1/2 cup or 3-4 pieces per exhibit.

Class 4022 Tomatoes/Tomato Products

DIVISION V: VISUAL ARTS & CRAFTS

Please take your Exhibits to the 4-H building immediately following the foods auction for the superintendents to set up displays.

Special Rules for Visual Arts & Crafts:

1. All arts and craft items must be entered "ready to display". Example: exhibits which need to be hung must have a wire or saw tooth hanger attached in order to be properly displayed.

2. Entries are limited to four items per 4-H'er.

Special Rules for Duct Tape:

1. Each Exhibitor may enter only one item.
2. Items may be made with any color duct tape.
3. Items must be created using 90% duct tape.
4. Items may not be larger than can be carried into the fair building by one person.
5. No vulgar or suggestive decorations will be allowed.
6. Entries must be made of 90% duct tape. No sharp objects allowed.
7. Judging Criteria:
40% Workmanship– 30% Creativity – 20% Appearance – 10% Difficulty

Please put a check mark next to the Duct Tape class you would like to enter.

Class Choices are: Wearable Items

Create Your Own

Special Rules for Legos:

1. You must supply all of your own Lego materials.
2. Finished product must be no larger than 18"x18"x18"
3. Plans may be adapted from kits, but must be exhibitor's original interpretation.
4. Judging will be on appearance, creativity and degree of difficulty for age.

DIVISION VI: WOODWORKING

Special Rules for Woodworking:

1. Each exhibit entered must be accompanied by the plan, blueprint, working drawings, sketch, etc. used for construction. A cost of materials should be included. Exhibits with no plan will receive a white ribbon.
2. Exhibits will be judged on the following:

A. Built to plan	20 pts.
B. Usefulness	10 pts.
C. Choice of wood	10 pts.
D. Construction/ workmanship	20 pts.
E. Application of finish	20 pts.
F. Difficulty of construction	20 pts.

| Class 6003 | Craftsman (Power tools used) |

DIVISION VII: GEOLOGY

Special Rules for Geology:

1. The standard size exhibit box is to be 18"x24"x3 ½". All

specimens are to be arranged across the narrow (18") dimension of the exhibit box. If a box has a sliding cover, it must be removable from the top. Cover must be Plexiglas. No glass allowed. Screws, locks or other devices that would prevent judges from removing cover should not be used.

2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county and number of specimens using clear double-sided tape to adhere gummed labels and by attaching a label with the same info on the lower right-corner of the box (outside).

3. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first three geology classes and in the lapidary class.

4. Geology specimens should be labeled with the number of the specimens, date collected, specimen name or description and county where collected.

5. Specimens should be mounted in the box by proper groups-rocks, minerals, fossils.

6. For geology classes, all specimens must be collected from locations in Kansas or from counties bordering Kansas. Out-of-state specimens will not count in the minimum number of the class and will not be considered in the judging.

7. Out-of-state specimens may be exhibited in a marked section of the display box but these cannot comprise the major portion of the exhibit.

Class 7000 Display at least 15 different rocks, minerals or fossils. Limited to one exhibit box. Fossils must be identified to the Phylum level. This class open to only those exhibiting at the Logan County Fair for the first time.

Class 7001 Display at least 30 different rocks, minerals, or fossils. Must be at least 5 of each. 15 must be collected the current 4-H year. Fossils must be identified to the Phylum level. Limited to one exhibit box. This class open to those exhibiting first or second year at the Logan County Fair.

Class 7002 Display at least 45 rocks, minerals or fossils. Must be at least 5 of each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formation. Specimen label must show the distinction (Fort Hays limestone not just limestone; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composite Brachiopod). Exhibit limited to two boxes with plexiglass covers. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level. This class is open to those exhibiting the third or fourth time at the County Fair.

Class 7003 Display at least 60 rocks, minerals, or fossils, at least 5 of each. More than one specimen of the same kind of rock or

mineral or species of a fossil may be exhibited if this duplication represents different geological formations. (See Class 4562). Exhibit limited to two boxes with plexiglass cover. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum Class, and Genus levels is possible. This class is open to those exhibiting the fifth time or more at the County Fair.

Class 7004 Special exhibit relating geology to everyday living, or to mineral test, a rock formation, geological history, or species of a fossil. Forms of one mineral, variation of one kind of rock, archeological artifacts or Indian artifacts. Exhibit to be 4 ft. of table space or no more than two standard exhibit boxes with plexiglass. This class may be entered regardless of number of times previously exhibited at Fair or whether exhibitor has entries in other classes.

Class 7005 Lapidary I. Exhibit at least 6 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing, and end or face or flat lapping. Specimens must represent at least 3 different gem stones and minerals and include at least 3 cabochons of any size or shape. Three of the specimens must be mounted. Label specimens appropriately including locality (state) where originated. Exhibitor may also exhibit in any other geology class.

Class 7006 Lapidary II. Display at least 30 stones and minerals that were cut or polished. Five of the specimens must be collected by the member from the native site (not limited to Kansas). Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected, or state or country of origin for non-Kansas material.

DIVISION VIII: ENTOMOLOGY

Special Rules for Entomology:

1. A 4-H member may choose to exhibit in the collection and education class for each phase or both.
2. Individual entries are to be placed in standard Plexiglas covered boxes, 18"x24"x3½". No glass tops allowed.
3. Each exhibitor is required to identify each box by placing an identification label bearing exhibitor's name, county and class. One label goes in the upper left corner of the box (inside) and the other in the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise.
4. The number of orders, specimens and families required

must be included on the exhibitor's box identification label.

5. Emphasis in judging will be placed on the overall variety of Kansas insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens and overall arrangement and appearance of the collection.

6. For each collection class, two labels will be centered on the pin beneath each specimen. First is the common name label and the second label is a date/locality label.

7. Exhibition of the current year's collection is encouraged. However, each specimen should have a value in itself. The "rare find" shown in the beginning phase should have a place in the more advanced phases.

8. Purpose of the project is to encourage identification of our Kansas insects. If there are "exotics" in the collection, they should be in a separate area given for exotic specimens, except as they may enhance the overall appearance of the collection.

9. Educational Classes - Educational displays are to be exhibited in one standard size insect box and identified by an identification label as discussed above. It is to include the exhibitor's name, county and class. Information on numbers and kinds of insects is not needed for educational exhibits.

*Displays may consist of specialized groups of insects, or relate to any aspect of insect life. Displays should be presented in a clear, concise, and interesting manner.

a. Educational classes are limited to one standard box, a maximum of 150 specimens, and be work performed during the current year.

b. Title of the exhibit should be inside the box.

c. Purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.

Introduction to Entomology

Class 8000 Display of 15 minimum and maximum of 30 specimens representing at least 6 orders in a small box (school or cigar) with a piece of plastic wrap or Plexiglas taped across the top of the box. *This class is not eligible for State Fair.*

Beginning Entomology I

Class 8001 Collection - Display in one standard box, a minimum of 50 and a maximum of 125 species, representing at least 7 orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Two labels are required on each specimen. First label directly beneath the insect, centered on the pin, is the common name label. Common name refers to the commonly accepted name for the insect. Example of common names include grasshoppers, cockroaches, or walking sticks for insects that belong to the order Orthoptera. When in doubt, use the common name designated for the group in question. The

second label is a date/locality label. It will be centered on the pin beneath the common label. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon in the Beginning I phase at the Kansas State Fair, whichever comes first. Members would generally be encouraged to move on into Beginning II after one good year in the Beginning I phase.

Class 8002 Beginning Entomology/Educational Exhibit, a minimum of 15 insects.

Beginning Entomology II

Class 8003 Collection - Display in one standard box a minimum of 75 and a maximum of 150 insects representing at least 9 orders. All specimens should be grouped to order. Two labels will be centered on the pin beneath each specimen. The first is the common name label and the second is a date/locality label. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon in the Beginning II class at the Kansas State Fair, whichever comes first.

Class 8004 Beginning Entomology II Educational Exhibit

Intermediate Entomology

Class 8005 Collection - Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped to order. All insects in the orders of Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera and Hymenoptera are to be identified to family. The number of families in these orders must be recorded on the box identification label. Families represent subdivisions of order groupings, and family labels will be pinned to the bottom of the box to represent subdivisions of the appropriate order. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon in the Intermediate class at the Kansas State Fair, whichever comes first.

Class 8006 Intermediate Educational Exhibit

Advanced Entomology

Class 8007 Collection - Display a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Two labels are required for each specimen - first the common name

label followed by the date/locality label, both of which are centered on the pin beneath the insect. The guidelines detailed under the intermediate phase may also be used in the Advanced phase except that all butterflies appearing in the collection should be labeled with the correct common name. Members may continue to exhibit in this class as long as they remain eligible for 4-H membership.

Class 8008 Advanced Educational Class Exhibit

DIVISION IX: PHOTOGRAPHY

Special Rules for Photography:

1. Conference Judging for Photography will be held at the Gateway Fellowship Hall. A schedule for judging will be sent to 4-H'ers enrolled in the photography project.
2. Black & white or color photographs may be exhibited.
3. All photos must be no larger than 8"x10" and no smaller than 7"x 9", except story pictures which may be 3"x5". Story picture exhibits are not eligible for the Kansas State Fair at the 3"x5" size.
4. Photos are to be mounted across the 11" dimension of a 11"x12.5" studio mount. The top edge of the print must be 1" below the top of the mount. Side of the print must be equal distance from the two sides of the mount. A permanent mount must be made using photographic dry mount tissue or equivalent. Remove white border from the enlargement before mounting. Mount pictures on the white side of mat. Mounting boards may be purchased from the Extension Office. Story pictures may be mounted on a 12"x20" poster board.
5. No white data slip is to be used, nor mounted.
6. No letters will be permitted on the mount, or on the picture. No underlays or borders are to be used. Each exhibitor's name, address and photo class should be written on the back in the lower left-hand corner in pencil.
7. Photographs exhibited must be the result of the current year's project work by the 4-H members.
8. Photographs at the State Fair may be either color or black and white in all classes.
9. Photos should be submitted in a standard photo bag for their protection.
10. Ribbons for Grand Champion and Reserve Champion will be awarded for each exhibitor experience division, not age division.

***Suggestion:** Have digital prints printed professionally by a lab or service. Home photo printers do not judge competitively against professional printing.

- Class 9000** Color photos taken by a 4-H member with 3 years or less in the project.
- Class 9001** Color photos taken by a 4-H member with 4-7 years in the project.
- Class 9002** Color photos taken by a 4-H member with 8 or more years in the project.
- Class 9003** Black and white photos-all levels of experience.
- Class 9004** Computer manipulated photos; manipulated does not include normal cropping, enlargement, or color intensity treatment but are manipulated in the

- computer beyond that which can be done in a darkroom. Photo must be an original taken by the exhibitor. Exhibitor must provide a small (4" x "6 or smaller) original photo.
- Class 9005** Photos with special effects. (Darkroom manipulation of print and/or in-camera manipulation of the negative)
- Class 9006** Color or black and white slides
- Class 9007** Color or black and white slides with special effect
- Class 9008** Videos/movies (May be standard VHS on ½ inch tape or digital on DVD)

Special rules for Videos/Movies:

1. Will be judged in a projected format.
2. Criteria for judging shall include: (1) Evidence on the story line; (2) Use of camera angles; (3) Use of zooming techniques; and (4) Smoothness of scene changes
3. No time or date should be imprinted on the tape.
4. All of the rules of photographic techniques, such as the rule of thirds, composition, framing, etc., will be applied.
5. Videos or movies shall be from three to five minutes in length.
6. Sound should follow the story line and should be more than dialog, but sound is not required.
7. Titles may be used but are not required.
8. Videos must be on either ½" VHS tape or standard DVD disk.
9. Place media and entry card into a 2 gallon self-sealing plastic bag.

DIVISION X: ELECTRICITY

Special Rules for Electricity:

1. Articles should be cleaned before exhibiting if it has been used.
2. A sheet of operation instructions should be furnished for any exhibit not self-explanatory.
3. Exhibit should be able to be operated. If battery power required, batteries should be furnished.
4. All entries must be items made in 4-H electric project.
5. All entries made from kits must be entered in classes so designated.

Exploring the World of Electricity

- Class 10000** Motor application, original construction
- Class 10001** Motor application, kit assembled construction
- Class 10002** Lighting - original construction
- Class 10003** Lighting - kit assembled construction
- Class 10004** Wiring - kit assembled construction

Electricity's Silent Partner - Magnetism

- Class 10005** Motor application, original construction
- Class 10006** Motor application, kit construction
- Class 10007** Lighting - original construction
- Class 10008** Lighting - kit construction
- Class 10009** Heating - original construction
- Class 10010** Heating - kit construction
- Class 10011** Wiring – original construction

Working with Electricity

- Class 10012** Demonstration Board - with a purpose of educating and informing
- Class 10013** Wiring Board - connecting switch to light fixture and a two-pronged outlet

Electricity for Family Living

- Class 10014** Project Construction - demonstrating wiring practices (i.e. building study light)
- Class 10015** Educational Display - label the internal working parts of home appliances (microwave, radio, TV)

Behind the Switch

- Class 10016** Original solar construction
- Class 10017** Educational Poster (i.e. electric meter reading, magnetism)
- Class 10018** Other energy construction project

Electronics

- Class 10019** Original Construction - training and science assemblies (i.e. signal sets, intercom sets, automatic switch control)
- Class 10020** Kit assembled construction - functional items (i.e. radios, amplifiers, testing equipment)

DIVISION XI: SMALL ENGINES

Special Rules for Small Engines

1. Displays are limited to 4 ft. wide and 4 ft. deep - both upright and floor displays.
2. Engines must be smaller than 20 horsepower.

Display

- Class 11000** Exhibit a display selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts OR 2) a display identifying and explaining the functions for different special tools needed for small engine work OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display.

Maintenance

- Class 11001** Exhibit a display that illustrates either 1) routine maintenance procedures OR 2) diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws are permitted for display.

Operation

- Class 11002** Exhibit an operable small engine overhauled or rebuilt by the member.

Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine.

DIVISION XII: SPACETECH

Special Rules for Spaceteach:

Rocketry:

1. 4-H'er must be currently enrolled in the 4-H rocketry program.
2. Grand Champion and Reserve Champion will be awarded from the purple placings in the construction only.
3. Rockets must be constructed during the current year. Each rocket must have been flown. Each rocket exhibited must be able to stand freely by itself or be supported on a wooden base, not to exceed $\frac{3}{4}$ " x 8" square for small and medium sized rockets; wooden or metal support rods must not extend past the tip of the nose cone. Do not submit on launch pad.
4. Plans (or a copy of it) must accompany the rocket.
5. For original design rockets, describe in summary how model was tested for stability prior to flying.
6. Angles of the fins must fall with a plus or minus 2 ° variation.
7. Exhibits must be uniformly painted, smoothly finished, have decals applied smoothly, and be properly assembled and painted according to accompanying plans.
8. Beginner kits with prefabricated plastic in assemblies and pre finished rockets requiring no painting are not acceptable.
9. Engines and ignitors are not permitted with exhibits.
10. Exhibitors who exhibit a rocket using a size E engine or larger will be required to provide National Association of Rocketry (NAR) membership number on the exhibit entry card.
11. A rocket launch will be held after the judging of rockets on Wednesday afternoon. Time and place will be posted. There will be no Grand Champion or Reserve Champion awarded for this.

Robotics:

12. Each exhibitor may enter one robot per class. **The Exhibit must have been constructed/completed during the current 4-H year.** Each robot must be free-standing without the need for additional supports in order to be moved or exhibited.
13. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
14. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is **NOT** considered an adequate enclosure or covering for electrical components.
15. Robots must be powered by an electrical, battery, water, or solar source only. Robots powered by fossil fuels or flammable liquids will be disqualified. All robots must include an on/off switch for operation. No remote control devices will be allowed.
16. Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for the current 4-H

year.

17. The exhibit must include written instructions for operation, construction plans, and one to three pages of project photographs. This information should be placed inside a 10X13 inch manila envelope.

18. Educational displays are limited to one 2x3 foot tri-fold display board and no more than 3x3 foot of table space. No card board table exhibits will be allowed. No electricity will be provided.

Class 12000 Introductory rocket -1styr members only

Class 12001 Rocket made from kit

Class 12002 Rocket designed by exhibitor, not merely modification of an existing kit rocket

Class 12003 Launch of rocket

Class 12004 Novice Robotics (1 to 2 yrs in project)

Class 12005 Intermediate Robotics (3 to 4 yrs in project)

Class 12006 Advanced Robotics (4 or more yrs in project)

DIVISION XIII: BOOTHS

Club Booths

Special Rules for Club Booths:

1. Each booth shall illustrate or demonstrate a phase of 4-H which is being practiced by members within the club represented. Booths are approximately 6'x6'x6'. All staples, tacks, etc. will be removed prior to being dismantled. If not cleaned properly, club will forfeit premium check.

Class 12099 Other Booth

Class 13000 Club Booth

Individual Project Booths

Special Rules for Individual Project Booths:

1. Read 4-H general rules.

2. Booths are 2'x2'.

3. Exhibit should be of material illustrating project carried by member and must be work completed in current 4-H year.

4. 4-H'er may enter up to three (3) individual project booths, with one per project. If all booths are not taken, they will be available on a first-come-first-serve basis.

5. Booth reservations must be made to the Extension Office by July 1st.

6. Backgrounds should be attached to the booth form with staples or tacks. **NO HOT GLUE WILL BE ALLOWED.**

7. All staples, tacks, etc. must be removed from the booth. Booths will be inspected prior to being dismantled. If booths are not cleaned properly, premiums for booths will be forfeited.

Class 13001 Junior Division

Class 13002 Intermediate Division

Class 13003 Senior Division

DIVISION XIV: BANNERS

Club Banners

Special Rules for Club Banners:

1. Banners must be made by 4-H members. No professional or commercial assistance or processing.
2. Banners are a two dimensional display depicting one idea. The theme guidelines are the same for the booths.
3. Banners should be made out of flame resistant material.
4. Dimensions are to be no less than 12 square feet and no more than 16 square feet, with a minimum of 3 feet on one side. Letters should be 2 inches in height.
5. Banners must be hung on a wooden dowel stick strong enough to support the banner.
6. On each end of the dowel rod, there must be a chain 6 inches long with an "S" hook for display purposes. Banners mounted any other way will not be displayed.
7. Banners should be made of materials that permit the banner to be folded or rolled without damaging the display.
