Preparation Baked Foods Exhibits for the Fair

In the past, we have sent out information to each family on preparing baked food exhibits for the fair. This year we will make this information available on our website at: http://www.goldenprairie.k-state.edu/4-h/gove-fair.html or as a pick up item at the office. Most of you should have this information unless you are new or have misplaced the information. Come by and see us if you need another copy or call, please.

Fair Sponsor Thank You’s

Each club will be responsible for Thank You’s to businesses and individuals that bought fair sponsorships. Whether it be a card with all your signatures or a plate of cookies. It would be nice if each fair sponsor receives a personal Thank You!

Remember, this is different from businesses and people that buy food or livestock at the auction. Each person needs to thank those buyers individually.

Work Schedules

We have mailed out the judging schedules and work schedule. Please read these carefully and make note of your responsibilities. If you do not receive this packet by 2nd cleanup, please notify our office at 785-673-4805 or visit our website: http://www.goldenprairie.k-state.edu/4-h/gove-fair.html

In order to do these things, everyone will need to bring tools they might need such as cleaning supplies, screwdrivers, screws, drills, hammers, masking tape, buckets, hoses, ladders, weed eaters, shovels, wheel barrows, rakes, etc.

Style Revue Schedule (Judging)

Scripts are due Monday, July 12th, in the Extension Office.

For those of you who are enrolled in the buymanship or constructed fashion revue, you appear in your outfit before the judge one time only. You will need 1 entry card for each entry. You will also need one 4-H Fashion Revue Evaluation Scorecard for each entry. This is available on the: http://www.goldenprairie.k-state.edu/4-h/gove-fair.html.

Bring this to the person lining you up to the judge with your entry card. Remember, you DO need pictures for the county judging. A picture of you in each outfit attached to the evaluation. You may model your garments in any order you choose. It will not make any difference.

Please note: The judging will be held at Wheatland High School, in Grainfield, on Tuesday, July 23, at 2:00 p.m., and the Public Style Revue will be at the 4-H Building on Wednesday, July 24, at 7:00 p.m. Good Luck to all of you!!

ATTENTION:
Ready Made & Clothing Construction Participants

Ideas for Questions

Following is a list of possible clothing construction and style revue questions you might be asked during a conference evaluation. Try not to answer with only a “yes” or “no” answer. Of course, there will probably not be time for all of them.

2. What kind of care will the garment(s) need?
3. What is the fiber content?
4. Why did you take this project?
5. How much experience did you have before you started this project?
6. What did you like most about the project?
7. What did you like least about the project?
8. What did you do the first time in this project?
9. Where did you get help?
10. What new things did you learn?
11. How will you use what you have learned?
12. What would you like to learn next?
13. If you were to do the project again, would you do anything differently? How do you feel your project could be improved?

14. How does this garment fit in with the other garments in your wardrobe?
15. Where do you plan to wear this garment?
16. What accessories are you planning or what accessories do you already have to wear with this garment?
17. What do you think you ribbon placing should be?
